I just added Wednesday to the poll. Hopefully that should provide some additional flexibility. I'm available to speak with each of you on an individual basis if all else fails.

Thanks,

Brock

I believe it is called Columbus Day. Perhaps not real popular in the Pacific Northwest.

Subject: Alaska HHC Presenters Meeting- Doodle Poll

Good Morning,

Thank you for your willingness to attend and present at Alaska DEC's first public workshop on human health criteria in state water quality standards. As you well know, this is an issue of concern to a variety of stakeholder groups.

In an effort to coordinate between one another's presentations, DEC would like to meet with you for ~ one hour to discuss material, expectations, and presentation platforms. The following is a Doodle poll that suggests meeting times for 10/12 or 10/13. Once I have your feedback, I will send a meeting invitation.

Thanks for your help and feel free to let me know if you have additional questions or concerns.
